
MEMORANDUM

Public Works Department – City of Middleton

DATE: August 24, 2015
TO: All Holders of the City of Middleton Standard Specifications
FROM: Shawn Stauske, Director of Public Works / City Engineer
SUBJECT: **Revisions to City Specifications and Contract Documents**

The Standard Specifications and Construction Contract Documents for the City of Middleton, dated June of 2004, have been revised as follows. Affected pages are not being mailed, but are available on the City's web site. Effective immediately, the following changes should be made to various bidding and contract documents for public works projects in the City of Middleton:

Bid & Contract Requirements

The following were substantially rewritten and/or reformatted to bring into compliance with current standards and to highlight sections that require user-customization:

- General Conditions. Updated to refer to EJCDC C-700 2013 Edition (from former 2004/2007 Editions)
- Agreement.doc
- Performance Bond.doc
- Payment Bond.doc
- Supplementary Conditions.doc
 - o Revised to address new edition of EJCDC
 - o Revised to include new insurance limits

Standard Detail Drawings

SDD Table of Contents. Updated to reflect current list of Drawings.

Drawing 400-01: Modified to show maximum bury depth..

Drawing 400-02: Modified to show 6 foot diameter MH for valves larger than 12”.

Drawing 500-04. Added as new drawing: Sanitary Sewer Lateral Internal Drop.

Drawing 500-05. Added as new drawing: Sanitary Sewer Lateral For Clay Pipe Main.

Drawing 500-06. Added as new drawing: Sanitary Sewer Main Repair For Existing Clay Pipe.
