A community project for artists of all ages and abilities. Each participant will create an original work of art on a 6"x 6" canvas. All of the canvases will be combined to form a community mosaic exhibited during the summer in the Stairwell Gallery at the Middleton Public Library

Guidelines:

- All artwork must be original and appear on the face of the 6" x 6" canvas provided.
- All mediums are allowed. The canvases will be hung by Velcro, so lightweight materials should be used. 3-D art is allowed as long as the 3-D component is only on the face of the canvas.
- Middleton Public Library reserves the right to reject any artwork it deems inappropriate for the display.
 - Exhibit design will be done under the direction of the Middleton Arts Committee. All canvases will be exhibited squarely, not as a diamond.
