

Why Donate a Tree or Bench

The City of Middleton is blessed with over 1000 acres of park and conservancy for the public to enjoy. Each year we are challenged to keep these areas in good repair and safe for our visitors.

You can help make a difference by donating funds to provide a park amenity which would be of lasting benefit for future generations!

Why not donate a tree, a bench or a picnic table? You may even dedicate a memorial plaque with your donation to be placed nearby if desired. Please see plaque examples on the back of the page.
